

Waste Development Forum

Suzanne Osborn

15th February 2006

Why a Forum?

- To engage our key audience;
- To increase understanding between the County Council and its stakeholders;
- To test our options against actual deliverability;
- To complement the statutory consultation tool;
- To facilitate consensus-building.

Purpose of the Forum...

...compared to written consultation

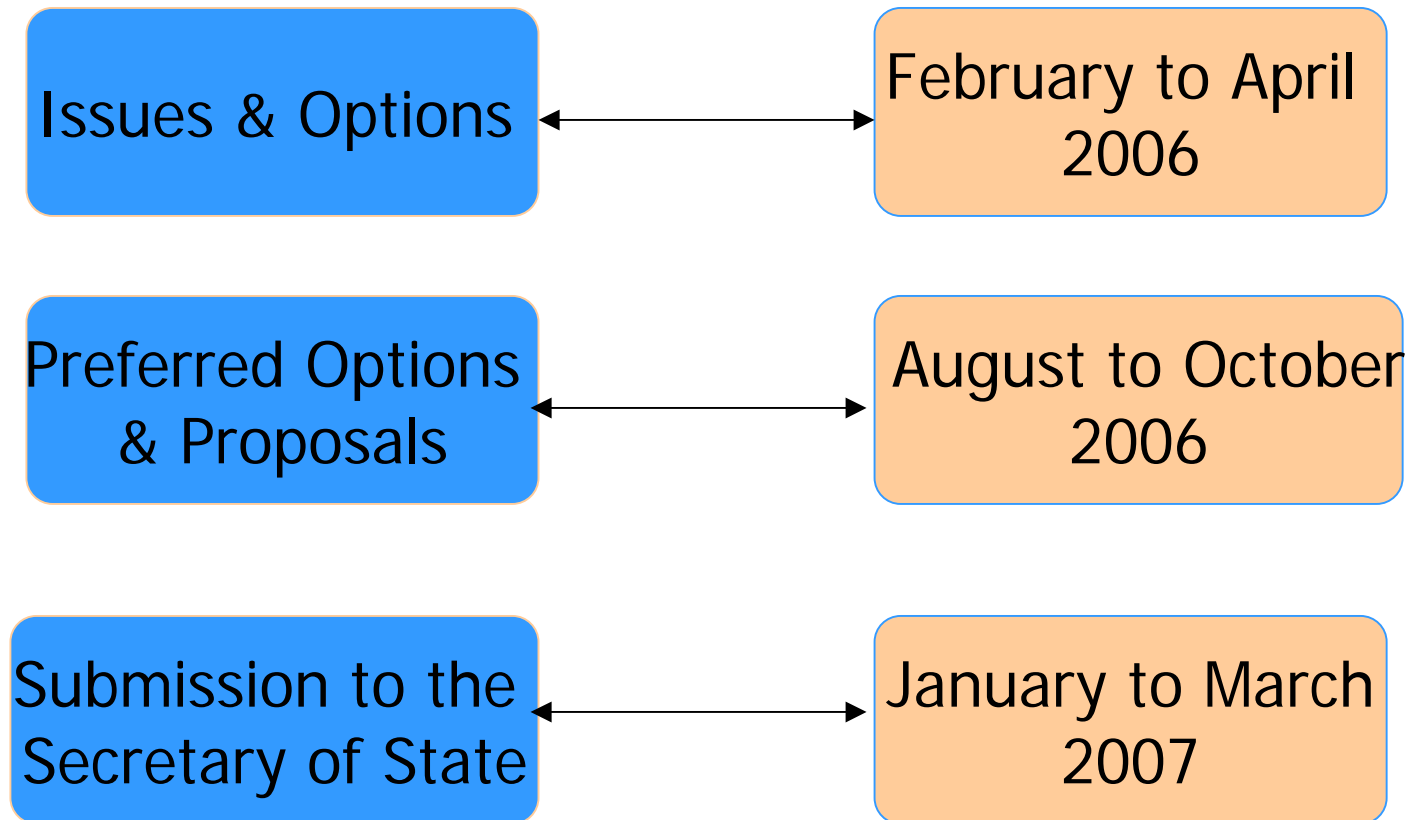

Waste Development Forum

- On-going as plans develop;
- Discuss strategic issues considered important to the Forum;
- Working together to achieve compromise.

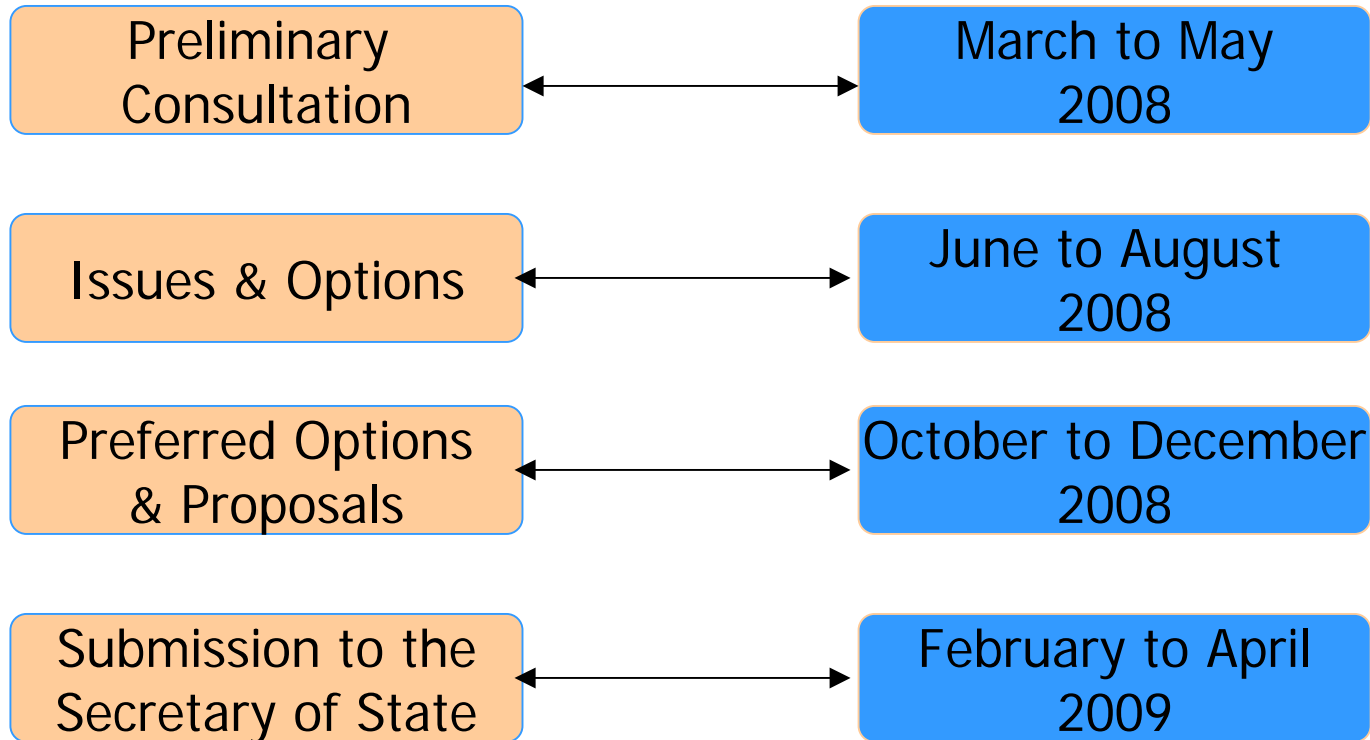

Written Consultation

- Only for a specific 6 week period each time;
- Only respond to questions raised by WCC;
- Only provides WCC with unilateral answers.

Constraints of the Timetable – Waste Core Strategy DPD

Constraints of the Timetable – Waste Allocations DPD

Potential for the Waste Development Forum

- ✓ To exchange ideas and knowledge throughout the plan-making process;
- ✓ To agree possible solutions to sometimes difficult issues through discussion and compromise;
- ✓ To influence a strategic approach to waste disposal in Warwickshire.

Over to you...
