Waste Development Framework

Waste Core Strategy

1. Preliminary Consultation (June-August 2005)
2. Issues & Options Consultation (February-April 2006)
3. Preferred Options Consultation (August-October 2006)
4. Submission Consultation (January-March 2007)

Issue and Options

- 99 comments received during consultation period
- All comments were considered in drawing up preferred options
- Need to balance all comments against a background of current legislation and guidance

Preferred Options – Where are we now?

- Report adopted by Cabinet
- 6 week public consultation on preferred options commenced 30th August 2006
- “Drop in” events in main libraries
- Waste Forum 26th September 2006

Preferred Options – What happens now?

- All comments will be recorded and reported to Cabinet Members
- On-line discussion database
- Formal 6 weeks consultation period to end 10th October 2006
