

**Warwickshire Climate Change Partnership (WCCP)**

December 2010 Update List

Please note that the action plan is being continually updated as new information comes to light

	Organisation	Main Theme	Name of project / action	Update notes	date	Contact Details
1	<b>Act on Energy</b>	Energy		Continuing to support other organisations in promoting energy efficiency	Projects carried out with Jaguar Land Rover and Aston Martin.	20 March 2009 David Jullien
2	<b>Act on Energy</b>	Energy		Schools Project	18 schools contacted.	04 June 2010 David Jullien
3	<b>Act on Energy</b>	Energy		Provision of grants for community buildings	15 village halls surveyed and 5 grants paid to date.	20 March 2009 David Jullien
4	<b>Act on Energy</b>	Energy		Community Building Energy Audits	In Stratford and Rugby. 29 audits carried out. 8 grants awarded.	04 June 2010 David Jullien
5	<b>Act on Energy</b>	Energy		ESESE Scheme (Energy Efficiency Scheme for Employers and Employees)	Energy exhibitions in the work place.	05 June 2009 <a href="mailto:David@actionenergy.org.uk">David@actionenergy.org.uk</a>
6	<b>Act on Energy</b>	Energy		LA Consortium	Continuing to support Local Authorities with NI 187 (fuel poverty). Arranging Consortium meetings.	05 June 2009 David Jullien
7	<b>Act on Energy</b>	Energy		Affordable Warmth	Supporting groups in Rugby, Stratford and Warwick.	04 June 2010 David Jullien
8	<b>Act on Energy</b>	Energy		Fuel Poverty Community Support	On-going response to Flood and Water Bill. Exploring surface water management with Coventry City Council.	10 September 2010 David Jullien
9	<b>Act on Energy, Warwickshire County Council</b>	Energy		2010 and Beyond	15 school sessions	04 June 2010 David Jullien, Emma Clarke
10	<b>Act on Energy, Warwickshire County Council, Coventry City Council, Worcestershire County Council, Stratford District Council, Eon Central Networks</b>	Energy		Switch If Off - in schools	9th - 13th November - events with 12 schools.	04 September 2009 David Jullien
11	<b>Action 21</b>	Resource Efficiency		Re-useful Centre	New recycling centre now open.	05 June 2009 Rick Smith
12	<b>Action 21</b>	Energy		Solar 300 Challenge	Project aimed at getting an extra 300 domestic solar panels installed in Warwick District Council area. To be officially launched at the Peace Festival.	05 June 2009 Rick Smith
13	<b>Action 21</b>	Agriculture / Horticulture		Food Projects	List of all Action 21 projects available from Rick Smith.	05 June 2009 Rick Smith
14	<b>Action 21</b>	Communication & Education		East Gate Lodge Sustainability Centre, L Spa	Permaculture course run to design the garden. Now have a display beehive.	04 June 2010 <a href="mailto:rick@action21.co.uk">rick@action21.co.uk</a>
15	<b>Action 21</b>	Communication & Education		East Gate Lodge Sustainability Centre, L Spa	East Gate Lodge Sustainability Centre is now open in Lepherson Gardens in Leamington	10 September 2010 Rick Smith / Bernard Perkins
16	<b>Allied Vehicles</b>	Transport		4th Anniversary Conference, Coventry	Planned for 6th July, Agenda fixed	04 June 2010 <a href="mailto:steve.harris@alliedvehicles.co.uk">steve.harris@alliedvehicles.co.uk</a>
17	<b>ATI Projects Ltd., Greenwatt Ltd.</b>	Energy		Managing 50 acre miscanthus biomass contract on family farm in Derbyshire		Mike Woolacott,
18	<b>Beacon Energy</b>	Energy		Atmospheric fuel synthesis 2010	Seeking funding for £600M. Profits £44M at 100 tonnes per day fuel. 9 months prototype unit with Leicestershire County Council. 25 year record in-field of renewable energy, low/zero carbon techniques, use of hydrogen as a fuel (2004).	04 December 2009 Tony Marmont
19	<b>Beacon Energy</b>	Energy		External insulation of farmhouse 2009	Use of straw bales to insulate exterior of our home completed.	04 December 2009 Tony Marmont
20	<b>Building Arts</b>	Sustainable Construction		Stoneleigh Sustainable Centre project	The Stoneleigh Sustainable Centre project is now officially part of the RASE planning programme and has been presented to Martin Haslett of WDC planning Department as such.	05 March 2010 Juliet Carter
21	<b>Burton Dasset Parish Council</b>	Energy		Street Lighting	Investigating potential for switching off some of the lights in the area.	04 December 2009 Andrew Wolstenholme
22	<b>Campion Hills Allotment Association</b>	Agriculture / Horticulture		Allotments	Promotion of Allotments	20 March 2009 Juliet Carter
23	<b>Climate Change Solutions</b>	Energy, transport, resource efficiency, education		Coventry Climate Change Centre	Pending sponsorship.	04 September 2009 Tony McNally
24	<b>Community Energy Warwickshire</b>	Energy		Community Energy Warwickshire	First conference held in June 2010, funded by Action 21, Renewable Energy Club - Warwickshire, Transition Leamington, Transition Stratford, Co-op to be formed and registered with the FSA.	03 October 2010 Barbara Cooper
25	<b>Convertteam Renewables</b>	Energy		Wind Projects	Convertteam remain the UK's largest exporter to the Wind industry. Some of it comes back to the UK, in particular in the form of power converters within the Siemens Wind Power 3.6MW turbines, which are now being deployed offshore, and the 2.3MW turbines onshore. We are also famous for supplying the electrical power train for the worlds biggest (3.6MW) Permanent	18 January 2010 John Hill
26	<b>Encraft</b>	Energy		TSB Retrofit	Encraft won two of the TSB Retrofit for the future projects to reduce carbon emissions from social housing by 80%, and will be delivering one in partnership with Warwick District Council on three of their houses.	05 March 2010 Matthew Rhodes
27	<b>Encraft</b>	Energy		AWM	We've also won a contract from AWM to develop the small scale renewable energy (microgeneration) supply chain across the region (RESO) and expect this to start this in March.	05 March 2010 Matthew Rhodes
28	<b>Encraft</b>	Energy		Leam Hydro Project	Encraft have submitted £285k of funding bids for the Leam Hydro scheme recently, although this is an on-going search for funding.	05 March 2010 Matthew Rhodes
29	<b>Encraft</b>	Energy		Renewable Energy Site Assessment	We have launched a property portfolio renewables site assessment tool for organisations with more than 100 properties who are wondering where is the best place to put wind turbines or solar panels, and this can be seen at <a href="http://www.encraft.co.uk/ws/P/Professional/Software/RPAT.php">http://www.encraft.co.uk/ws/P/Professional/Software/RPAT.php</a>	05 March 2010 Matthew Rhodes
30	<b>Encraft</b>	Energy		Planned Community Owned Renewables Event	Encraft would be very happy to support the community ownership of renewables event if helpful.	05 March 2010 Matthew Rhodes
31	<b>Encraft</b>	Energy		Renewable Energy Toolkit	The Renewables Toolkit for Planners (CSWAP0) is fully specified and we will be coding this in the next three months, for trials hopefully in Warwickshire from June.	05 March 2010 Matthew Rhodes
32	<b>Energy Savings Trust</b>	Energy		Certification of Energy Advice Service Providers	Work with DECC carried out to produce a standard / certification scheme that all providers of energy efficiency advice will need to meet in light of findings highlighting a lack of impartiality from energy providers.	10 September 2010 Ed Brown
33	<b>Environment Agency, North Warwickshire Borough Council</b>	Biodiversity		New Nature reserves	Possible project around community, biodiversity and flooding. Possible funding applied for.	04 September 2009 Liane Auliffe / Zoe Davis
34	<b>Godfrey Payton / Warwickshire Woodfuel Producer Group</b>	Energy		Warwickshire Wood Fuel Ltd (Cooperative) Biomass Market Development	Presentation given on the project on WCCP 3rd anniversary event at Merevale Hall, Atherstone. Defra funding approved; project manager in place; supply chain underway.	03/07/2009, December 2009. Zoe Bell
35	<b>Greenwatt Technology</b>	Transport		Low Carbon Public Transport for Stratford	Working group formed, led by Johnson's coaches and including Optare, Aston University, Coventry University.	01 May 2010 Mike Woolacott
36	<b>Greenwatt Technology</b>	Communication & Education		Green Skies	'Green Skies' workshops for Councillor's and LA Officers. Aimed at helping change and decision making for public sector; leading to integrated sustainable resource plans.	September onwards Susan Juned

## Warwickshire Climate Change Partnership (WCCP)

December 2010 Update List

Please note that the action plan is being continually updated as new information comes to light

	Organisation	Main Theme	Name of project / action	Update notes	date	Contact Details
37	Greenwatt Technology	Communication & Education	Minerva Innovation Centre, Alcester-Focuss on sustainable (green) businesses & career development	Centre of Excellence for Sustainable Technology and Engineering. Warwick/Birmingham Uni involved, (Science City); Alcester Grammar School; local engineering companies	Bid Spring 2010	Mike Woollacott
38	Greenwatt Technology	Communication & Education	Greenwatt Low Carbon Academy	Raising awareness, training, accreditation, establishing pilot, knowledge transfer centre to promote low carbon teams, energy efficiency and sustainable solutions.	10 June 2010	Mike Woollacott
39	Greenwatt Technology, WCC, WCCP	Transport	Low Carbon Vehicle Forum	Initiating a new Forum to spread best practice in the transport sector. Inaugural meeting in January 2010. Second meeting at Peugeot, coincided with WCCP 4th anniversary event.	04 December 2009	Mike Woollacott / Susan Juned
40	Hill Close Gardens Trsut	Energy	Sustainable Energy - PV	Need to add PV to the energy portfolio. 50% of required funding now in place.	05 June 2009	Chris Begg
41	Kenilworth High School and Sports College	Communication & Education	Sustainability Challenge	<ul style="list-style-type: none"> <li>Kenilworth School food show planning meetings.</li> <li>Kenilworth food show took place on the 10th October, hosted by Kenilworth School.</li> <li>Hosted Climate Change Community Conference at Brandon Marsh Nature Reserve</li> <li>Kenilworth School and Sports College awards submission</li> </ul>	10 October 2009	Emma Clarke / Alison Pointon
42	Kenilworth Initiative on Climate Change (KICC)	Communication & Education and Community	Educational Initiatives	Various initiatives such as climate change film showings.	20 March 2009	Pat Ryan
43	Long Itchington and Surrounding Villages for the Earth (LIFE)	Communication & Education and Community	LIFE	Several: film showings, tree planting, allotments, local school, freecycle, supporting new group at Eathorpe.	20 March 2009	Alison Byrne
44	Make Henley Greener	Energy	Green Star Home project	Questionnaire developed and trialed.	04 September 2009	John Stott
45	Merevale & Blythe Estates	Energy	Develop a 2.5 MWe biomass scheme and a 2 MWe Anaerobic Digestion plant.	Public Inquiry held.	04 September 2009	Philip Blackman
46	Midland Bioenergy Ltd.	Energy	Wood Pellet supply	Specialist wood pellet supplier supplying wood pellet fuel to the UK market and, particularly the growing Warwickshire market. Supplying domestic grade pellets supplied in 15kg bags and the	05 March 2010	Andy Brindley
47	Moreton Morrell College	Energy	Biomass boiler	Installed and working.	year 2009	
48	North Warwickshire Borough Council	Sustainable Construction	Eco-street, Hill Top, Arley	Funding agreement with Waterloo Housing Association and match funding from LCBP for GSHPs and solar hot water (March). (June) Delayed start due to rights of way / easement dispute. Start imminent.	05 June 2009	David Baxendale
49	North Warwickshire Borough Council	Sustainable Construction	Eco-street, Hill Top, Arley	Phase 1 now occupied - community launch event June / July. Phase 2 (+3) under construction.	04 June 2010	David Baxendale
50	North Warwickshire Borough Council	Resource Eff. and Energy	Property review - vacation of old Bank House	By Autumn 2009 (Oct) pending finding space for displaced.	05 June 2009	Chris Jones
51	North Warwickshire Borough Council	Energy	Pay as You Save (PAYS) Scheme bid with Birmingham City Council, to fund renewables in domestic properties.	Bid made and awaiting results	year 2010	David Baxendale
52	North Warwickshire Borough Council	Energy	PAYS Scheme bid with Birmingham City Council, to fund renewables in domestic properties.	Birmingham proceeding with scheme but NWBC actions being negotiated.	04 June 2010	David Baxendale
53	North Warwickshire Borough Council	Energy	Branching Out Bus (BOB) - Community based access to carbon footprint and fuel switch support.	Ends January 2010 - to be evaluated	year 2010	David Baxendale
54	North Warwickshire Borough Council	Energy	Accommodation Review and IT Server Room	Councillor's decision June/July 2010. To replace air conditioning units for £9,000 annula saving	04 June 2010	Chris Jones
55	North Warwickshire Borough Council	Adaptation	Flooding Website	Content to be expanded / improved during June 2010. Have submitted adaptation plan.	04 June 2010	David Baxendale
56	North Warwickshire Borough Council	Strategic	2010 Climate Change Strategy	Draft adopted for consultation. January 2010 on website. Annual report and 3 year review. Completion expected January 2011.	04 June 2010	<a href="mailto:stevemaxe@nwt.hwarcs.gov.uk">stevemaxe@nwt.hwarcs.gov.uk</a>
57	Nuneaton & Bedworth BC, Rugby BC, Stratford DC, Warwick DC, Warwickshire County Council, North Warwickshire BC	Strategic	LAA - Climate Change and Environment block	<ul style="list-style-type: none"> <li>Stratford LSP Climate Change &amp; Environment Group meetings.</li> <li>County Theme Group meetings.</li> <li>Lead Officers meetings.</li> </ul>	04 September 2009	Jacky Lawrence / Emma Clarke
58	Nuneaton and Bedworth Borough Council (NBBC)	Energy	Economic comparison of biomass and gas CHP		year 2009	Brent Davis
59	Nuneaton and Bedworth Borough Council (NBBC)	Energy and Community	EST - one to one Local Authority Support Programme	NBBC have been successful in their bid to work with EST for the next two years. Initial meeting to take place soon.	04 September 2009	Brent Davis
60	Nuneaton and Bedworth Borough Council (NBBC)	Energy	CHP Projects	CHP units installed and working at the Pingles and Bedworth Leisures Centres. Generating 800,000 kWh of electricity, saving 450 tonnes CO <sub>2</sub> and £70,000 per year.	05 June 2009	Brent Davis
61	Nuneaton and Bedworth Borough Council (NBBC)	Energy	Lighting Projects	Removal of all lights in Town Hall, Council Chamber, two multi-storey car parks. All projects now complete. Monitoring results. Not making as many savings as anticipated.	05/06/2009, December 2009	Brent Davis
62	Nuneaton and Bedworth Borough Council (NBBC)	Energy	Voltage Optimisation Devices	Feasibility study and tender exercise for units to go into major buildings. Obtained £100k Salix funding. V.O. to go in up to 5 buildings, April - June 2010.	05 June 2009	Brent Davis
63	Nuneaton and Bedworth Borough Council (NBBC)	Energy	Voltage Optimisation Devices	V.O. equipment now installed and operating in 5 main buildings. Starting to monitor effects. Hoping to save £21k p.a. and 170 tonnes of CO <sub>2</sub> p.a. Funded by £100k Salix Loan.	10 September 2010	Brent Davis
64	Nuneaton and Bedworth Borough Council (NBBC)	Energy	Biomass Heating	Biomass at the Civic Hall.	20 March 2009	Brent Davis
65	Nuneaton and Bedworth Borough Council (NBBC), WCC, LAA Partners	Energy	Energy Managers Forum	Best practice meetings held.	20 March 2009	Brent Davis / Bill Johnson
66	Nuneaton and Bedworth Borough Council, CSWAP0, WDC, NWBC, RBC, SDC, Solihull MBC, WCC	Energy	Map Warwickshire's Renewable Energy Resources as evidence base for PPS1 and in order to identify how to meet Warwickshire's	Consultants engaged, data gathering completed. Low carbon and renewable energy resources assessed. First consultation with developers held. Secon event for elected members being arranged. Draft report produced.	01 August 2009	Darren Henry
67	Orbit Heart of England HA	Energy	Installation of Heat Pumps	Lighthorne Heath. Completed. Ground source heating programme: programme continues focusing of replacing all solid fuel boilers with gshp, where no mains gas supply exists. This will possibly extend to electric storage heated properties in similar circumstances.	05 March 2010	John Barnham

## Warwickshire Climate Change Partnership (WCCP)

## December 2010 Update List

Please note that the action plan is being continually updated as new information comes to light

	Organisation	Main Theme	Name of project / action	Update notes	date	Contact Details
68	Orbit Heart of England HA	Energy	Installation of Heat Pumps	Air Source heating: currently conducting trials on differing makes to determine suitability for UK climate and fuel cost benefit to our residents. Passive retrofit programme: works programme to shortly commence on two estates (Coventry and Wellesbourne) with full and part passive pilots being created. Focus being on improving thermal efficiency of the home before consideration of renewable technology solutions.	05 March 2010	John Barnham
69	Orbit Heart of England HA	Energy	Installation of Heat Pumps	Data monitoring: we are working closely with Coventry University in recording a range of data electronically with homes to determine 'quality' of the internal environment and how best this can be improved through our retrofit programmes. i.e. what works would be more suitable than others. This also links to resident education programme where residents understand how to use the differing equipment installed and reduce CO2 and fuel costs by how they live in their homes. These is also a health improvement monitoring programme which is in very early stages of development but being discussed at high level in Warks Health Authority.	05 March 2010	John Barnham
70	Orbit Heart of England HA	Energy	Installation of Heat Pumps	Grant funding: working with our key partner E-ON to review grant funding provision and identify if this can be extended to current non-granted funded works, also extending to private households.	01 March 2010	John Barnham
71	Orbit Heart of England HA	Sustainable Construction	Passive House Retrofit, Foleshill Road, Coventry	Property stripped out and working to commence in about a month.	10 September 2010	James Baker
72	Rugby Borough Council	Sustainable Construction	Planning: Sustainable Design & Construction SPD.	To be adopted shortly.	20 March 2009	Stephen Marks
73	Rugby Borough Council	Strategic	Core Strategy being developed - sustainability standards being	Subject to approval by the Secretary of State.	20 March 2009	Stephen Marks
74	Rugby Borough Council	Energy	Affordable Warmth / Energy - range of activities on-going	Ongoing promotion, linking to flu campaign, Autumn 2009. Working with NHS and GPs to link affordable warmth info to flu jab recipients.	04 September 2009	Stephen Marks
75	Rugby Borough Council	Energy	Carbon Trust Support	Applying to the Carbon Trust of further support - awaiting response.	05 June 2009	Stephen Marks
76	Rugby Borough Council	Communication & Education	2010 + Beyond education Event	Event 9/10/11 June, arranged with many partners	04 June 2010	<a href="mailto:stephen.marks@rbu.gov.uk">stephen.marks@rbu.gov.uk</a>
77	Rugby Borough Council	Energy	Landscape Capacity Study	For wind energy developments. Further study to be commissioned.	04 June 2010	Stephen Marks
78	Rugby Borough Council, Act on Energy	Energy	Energy efficiency project with rural facilities / communities	£10k available for energy surveys and improvements in rural community facilities.	04 December 2009	Stephen Marks
79	Rugby Radio Station Partnership Ltd.	Sustainable Construction	Design Enquiry - new build	Consultation exercise to consider aspirations for urban extension (6,000 + homes).	20 March 2009	Stephen Marks
80	South Warwickshire Foundation Trust	Energy	NHS Trust/ Healthcare Salix funded energy reduction projects	Substantially complete, due energy of September / mid October	10 September 2010	Siobhan Hill
81	Sterling Associates	Energy	Electrical Power Audits & EPBD Work	On-going response to Flood and Water Bill. Exploring surface water management with Coventry City Council.	10 September 2010	Andy Wolstenholme
82	Stratford Methodist Church	Community	Encourage faith group involvement in climate change projects	Stratford Eco-Congregation project.	on-going	Lim Ho
83	Transition Stratford	Community - food, energy, economy, skills	Raising awareness in Stratford and district. and surrounding area.	Trying to initiate projects.	04 September 2009	Roger Matthews
84	Transition Stratford	Agriculture / Horticulture	Garden Share scheme	Aims to link up people who want to grow their own food but have no garden with those with spare space in their garden. Team of four organisers established who interview would-be gardeners and garden owners and broker matches. Launched February – 12 growers and 8 gardens to date: 5 agreements signed. Documents and processes can be copied by other places.	05 March 2010	Roger Matthews
85	Transition Stratford	Agriculture / Horticulture	Garden Share scheme	Continuing with scheme.	04 June 2010	Roger Matthews
86	Transition Stratford	Agriculture / Horticulture	Fruit Picking	New pilot project to pick unwashed fruit from gardens and distribute.	10 September 2010	Roger Matthews
87	Transition Stratford	Community - food, energy, economy, skills	Allotments	Working with Stratford-upon-Avon Town Council on ways to bring unused land into temporary use for food growing.	05 March 2010	Roger Matthews
88	Transition Stratford	Energy	Sustainable energy for historic buildings workshop	Took place on 18th May in Stratford Town Hall. Jointly organised by Stratford-upon-Avon Town Council, Stratford Society and Transition Stratford. Speakers from Building Research Establishment, English Heritage, Marches Energy Agency and Stratford DC. Aim is to raise awareness of sustainable energy solutions for older and historic buildings.	05 March 2010	Roger Matthews
89	Transition Stratford	Energy	Sustainable energy for historic buildings workshop	Working party set up to develop web site / information system for historic / older buildings.	10 September 2010	Roger Matthews
90	Transition Stratford	Energy	Energy Champions scheme	Consulting with Act on Energy and Transition Shipston on setting up network of trained volunteers who can carry out simple home energy checks and offer basic advice (with technical back up from Act on Energy). Pilot in spring?	05 March 2010	Roger Matthews
91	Transition Stratford	Energy	Energy Champions scheme	Continuing with scheme.	04 June 2010	Roger Matthews
92	Transition Stratford	Energy	Energy Champions scheme	Pilot training carried out. Pilot process being tested.	10 September 2010	Roger Matthews
93	Transition Stratford	Community - food, energy, economy, skills	Energy from food waste	Group looking at feasibility of using anaerobic digestion fed by commercial food waste to generate energy.	05 March 2010	Roger Matthews
94	Transition Stratford	Community - food, energy, economy, skills	Community-owned renewables conference	Working on idea of conference to explore options for community-owned renewables in south Warwickshire (Stratford and Warwick districts).	05 March 2010	Roger Matthews
95	Transition Stratford	Community - food, energy, economy, skills	Transition economy	Restarting discussions about ideas for more sustainable economy: time banking, green business directory, "transition card" scheme.	05 March 2010	Roger Matthews
96	Transition Stratford	Community - food, energy, economy, skills	Awareness raising	Monthly newsletter since autumn. Website developed (but ...). Monthly film showing. Talks and exhibitions. Monthly street stall in central Stratford from April. Planning education update on climate change, peak oil and transition at end of May	05 March 2010	Roger Matthews
97	Transition Stratford	Community - food, energy, economy, skills	Act local – Think global	Formal link established with Practical Action to showcase impact of climate change in developing countries and Practical Action's work in these areas.	05 March 2010	Roger Matthews
98	Transition Kineton	Community	Taking Kineton Towards Transition	Kineton have looked at a trajectory towards a transition style 'energy descent' with emphasis on: a) a formula for wider communal involvement and ownership of project based on the Low Carbon West Oxford model run as an Industrial and Provident Society (i.e. in which participants are shareholders) b) the need for a feasibility study to determine the most efficient methods for improving Kineton energy efficiency while at the same developing new renewable projects. c) the need for a steering group running as a 3rd wing to Farmers Market and Getting Kineton Growing (GKG) as part of our transition brief	05 March 2010	Mark Levene

## Warwickshire Climate Change Partnership (WCCP)

## December 2010 Update List

Please note that the action plan is being continually updated as new information comes to light

	Organisation	Main Theme	Name of project / action	Update notes	date	Contact Details
99	Transition Leamington / Transition Stratford / Renewable Energy Club	Communication & Education	Peak Oil / Energy Security Seminars	Workshops now prepared ready for piloting in October 2010	10 September 2010	Bernnard Perkins / Roger Matthews
100	Transition Shipston	Community - food, energy, transport	Raising awareness in Shipston and surrounding area.	Trying to initiate projects.	04 September 2009	Dave Passingham
101	University of Warwick	Energy	Strategic Carbon Reduction	Just completed year 3 of Carbon Management Action Plan. Results currently being collated and will be communicated. Year 1 - 750 tonnes saved, Year 2 - 700 tonnes increase, Year 3 - 900 tonne increase. Associated increase in 20,000 sq.m. in floor space.	04 September 2009	Nick Hillard
102	University of Warwick	Energy	Extension to District Heating and Construction of Cooling Farm	Work has started on installation of district heating pipework.	10 September 2010	Nick Hillard
103	University of Warwick	Transport	Electric Vehicles	Electric push bike and electric scooter demonstrations available to university staff / students.	01 December 2009	Nick Hillard
104	Warwick District Council	Energy	Biomass Boiler Installation	Oakley Crematorium.	year 2009	Mark Perkins
105	Warwickshire County Council	Community - food, energy, economy, skills	Building Sustainable Neighbourhoods	BSN have been running a programme in Nuneaton and Bedworth with community organisations who own buildings on reducing their carbon footprint and we will be developing this further very shortly. We have submitted a bid to ANM for the ERDF SUD funding that would provide additional capital grants to Commercial & Voluntary Sector organisations to make improvements to their buildings (along with other support) - we're waiting for news on that.	05 March 2010	Catherine Marks
106	Warwickshire County Council	Communication & Education	Energy Advisors	Developing a network of volunteer staff energy champions to reduce waste of energy. • Meeting with Chris Jones, North Warwickshire Borough Council to discuss the sharing of the Energy Advisors project • Energy Advisors training session with Julie Burton, ISO14001 • Energy Advisor intranet article informing staff of energy advisors and asking weather a staff renewable energy club would be of interest • Energy Advisor Web hits during September were 1368 • Meeting with Duncan Stiles, Warwickshire Police to discuss the sharing of the Energy Advisors project. • Updated Energy Advisors web pages. • Sent Energy Advisor newsletter out to over 65 WCC employees • Energy Advisors training session – Presentation from Jacky Lawrence, Setting up a renewable energy club for WCC staff. • Attendance at Children's DIG group to discuss the Energy Advisors network.	20 March 2009	Emma Clarke
107	Warwickshire County Council	Communication & Education	WCCP - increase partnership membership	As of September 2009, there were 471 people who receive regular (at least monthly) communications from the Climate Change Team including news, events and steering group minutes. These people represent 195 different organisations. 35 of these people belong to the Steering Group.	04 September 2009	Jacky Lawrence
108	Warwickshire County Council	Communication & Education	WCCP - web pages	Regular updating of the Partnership web site. <a href="http://www.warwickshire.gov.uk/climatechangepartnership">http://www.warwickshire.gov.uk/climatechangepartnership</a>	monthly	Jacky Lawrence / Emma Clarke
109	Warwickshire County Council	Communication & Education	WCCP - web pages	In July 2009, the Climate Change Strategy web pages received 897 external web hits, the Switch It Off web pages received 1425 web hits and the partnership pages received 6935 web hits. This represents a total of 9257 web hits.	monthly	Jacky Lawrence / Emma Clarke
110	Warwickshire County Council	Communication & Education	WCCP - web pages	• In August 2009, the Energy Advisors web pages received 1195 external web hits, the Switch It Off web pages received 1911 web hits and the partnership pages received 7621 web hits. This represents a total of 10727 web hits.	monthly	Jacky Lawrence / Emma Clarke
111	Warwickshire County Council	Communication & Education	WCCP - web pages	• In November 2009, the Climate Change Switch It Off pages received 8018 external web hits, the Energy Advisor web pages received 1716 and the partnership pages received 9382 web hits. This represents a total of 19,116 web hits.	monthly	Jacky Lawrence / Emma Clarke
112	Warwickshire County Council	Communication & Education	WCCP - web pages	• In February 2010, the Climate Change Switch It Off pages received 2224 external web hits, the Energy Advisor web pages received 1485 and the partnership pages received 6485web hits. This represents a total of 9,962 web hits.	monthly	Jacky Lawrence / Emma Clarke
113	Warwickshire County Council	Communication & Education	WCCP - monthly news and events bulletin	• Partnership monthly news and events email bulletins sent out.	monthly	Jacky Lawrence / Emma Clarke
114	Warwickshire County Council	Communication & Education	WCCP - community talks	• Parish /Town Council and other talks at: Alcester TC, Ansley, Southam, Stratford TC, Baginton, Bidford on Avon, Rowington, Wolvey, Claverdon, Harbury TC, Harbury Society, Fillongley, Studley, WM Branch of Local Councils Clerks, Shipston TC, Cubbington, Shipston on Stour, . • Key note speaker at WRCC Community Conference at Ettington.	on-going	Jacky Lawrence / Emma Clarke
115	Warwickshire County Council	Communication & Education	WCCP - Community Climate Change Newsletter	• Monthly Community Newsletter 21st & 22nd editions sent to over 136 people. • August Community Newsletter 20th edition sent to over 109 people.	monthly	Emma Clarke
116	Warwickshire County Council	Strategic	WCCP - Steering Group	Preparing documents for Steering Group meetings and sending out invitations.	quarterly	Jacky Lawrence / Emma Clarke
117	Warwickshire County Council	Strategic	WCCP Anniversary Celebration	• Warwickshire Climate Change Partnership 3rd Anniversary event arranged at Merevale Hall, Atherstone on 3rd July 2009. The focus of the event was biomass heating.	annually, 2009	Jacky Lawrence / Emma Clarke
118	Warwickshire County Council	Strategic	WCCP Anniversary Celebration	• Warwickshire Climate Change Partnership 4th Anniversary event arranged for 6th July 2010. The focus of the event will be low carbon vehicles.	annually, 2010	Jacky Lawrence / Emma Clarke
