

TABLE OF SAVED PLAN POLICIES BEYOND THE THREE YEAR PERIOD (SEPTEMBER 2007)

WARWICKSHIRE MINERALS LOCAL PLAN

Policy Number	Policy Name (and purpose)	If yes state how the Policy meets one or more of the four criteria in Para 5.15 of PPS12	Other reasons why the Policy should be retained	How the saved Mineral Policy will be replaced beyond Sept 2007.
M1	Areas of Search and Preferred Areas.	Meets criteria iii), v) and vi).	Preferred Areas ie allocated sites will be proposed in the new MDF. Areas of Search will be removed as MPS1 supports allocations and safeguarding rather than leaving large areas of land as Areas of Search which create can uncertainty.	Will be replaced by Policies in the MDF Core Strategy and Allocations Document.
M4	Sand and Gravel Extraction in the context of Landbanks	Meets criteria iii), v) and vi).	Landbanks are set out in MPS1 and will be an important part of the proposed MDF.	Will be replaced by new Policies in the MDF adopted Core Strategy

			If this policy is omitted it would leave a policy void as District Local Plans do not cover this issue.	
M5	Sterilisation of Mineral Reserves	Meets criteria iii), v) and vi).	<p>Sterilisation and Safeguarding sites are included in MPS1.</p> <p>If this policy is omitted it would leave a policy void as District Local Plans do not cover this issue.</p>	Will be replaced by new Policies in the MDF adopted Core Strategy
M6	Considerations and Constraints affecting Minerals Extraction	Meets criteria iii), v) and vi).	This policy safeguards the consideration of environmental issues at applications stage and gives a guide to assessing sites which is mostly in accordance with the principles of the new MDF and MPS1.	Will be replaced by new Policies in the MDF adopted Core Strategy
M7	Mitigation and Planning Conditions/Agreements	Meets criteria iii), v) and vi).	Conditions are covered in MPS2 while secondary aggregates are in MPS1.	Will be replaced by new Policies in the MDF adopted Core Strategy

			<p>If this policy is omitted it would leave a policy void as District Local Plans do not cover this issue.</p>	
M9	Restoration of Mineral Workings	Meets criteria iii), v) and vi).	<p>Restoration will be covered in the new MDF. The policy is not too different to the new one proposed in the MDF as the preferred option.</p> <p>If this policy is omitted it would leave a policy void as District Local Plans do not cover this issue.</p>	Will be replaced by new Policies in the MDF adopted Core Strategy
M10	Monitoring of Mineral Sites	Meets criteria iii), v) and vi).	<p>Monitoring of sites will be covered in the MDF. This policy is more specific to minerals than most similar policies in District Plans and is therefore required to be saved</p> <p>If this policy is</p>	Will be replaced by new Policies in the MDF adopted Core Strategy

			omitted it would leave a policy void as District Local Plans do not cover this issue.
