**REQUEST FOR ACCESS TO PERSONAL DATA
OR
RECORDS WHICH ARE NOT NORMALLY OPEN TO PUBLIC INSPECTION**

Service may in certain cases allow access to restricted records on condition that:

- The reader shall not use the information obtained from the records for any purpose other than the specific research described in their application for access.
- The reader shall not use the information obtained from the research in any way which might allow the identification of named individuals.
- The reader shall not divulge to a third party information contained in restricted records.
- The reader shall respect the confidentiality of any documents or information not connected with their research but which may be seen in the course of it.

Any breach of these conditions by the reader will lead to access to restricted records being withdrawn.

3. For some collections, permission of the depositor is required for access. You will be advised when this is the case. We will normally forward your request for access to the depositor on your behalf, and advise you of the outcome of your request. You should be aware that there may be a delay of several weeks while your request is processed by the depositor.
4. Readers are reminded that once access has been granted, they are responsible for ensuring that the use they make of the data and information obtained, copied, transcribed or otherwise duplicated does not infringe any relevant legislation, including the Data Protection Act, 1998, Copyright, Designs and Patents Act, 1988 and its subsequent amendments.

Please note that completing this form does not confer the right to publish copies or extracts from records. If you wish to publish material from our collections, you should complete a "Request for Permission to Publish" form available from staff on request. Readers have a responsibility to ensure compliance with Copyright legislation in respect of information obtained from Warwickshire County Record Office.

I hereby acknowledge that I have read and understood and agree to abide by the conditions above.
