

Progress report: GARDENS (adopted 2004)

Reporting Partner: Dave Lowe

OBJECTIVES	Target	Progress with Targets (based on progress with actions reported between 2005-7)	Target Progress	Progress Summary	Plan Progress	HBA status *
A. Set up a Wildlife Gardening Initiative (WGI) to raise awareness and provide information, advice and support on the importance of gardens as habitats for wildlife	2004	Target not achieved Progress has been carried out on the establishment of a Gardening clubs but not in the form of "WGI". However, missed the 2004 target	↓	There is local groundswell in various districts and Warwickshire Wildlife Trust have a library and gardening club. This action plan needs reviewing due to age and national initiatives that may make objectives out-of-date.	↔	No data
B. Develop a system of local recording to monitor the health of garden habitats and wildlife populations	2006	No progress No progress has been made on this local action. Still using the national initiatives.	↓			
C. Stimulate local action to benefit garden wildlife through Local Agenda 21 and other community initiatives	By 2004	Target achieved Garden Organic have a national campaign run from Ryton Organic Gardens and leaflets from Butterfly Conservation plus. WCC and Ryton composting schemes. WDC and CCC have local policies and restored public gardens plus others have reported a good groundswell of activity	↑
