half-term loan of box for just  
**£30.00!**

# Story Boxes

## Interactive stories for the early years

Visit St John's Museum or let us come to you and liven up story time with these interactive, custom-created story boxes, available for loan from Heritage Education

Each Story Box contains a specially-commissioned interactive story using real and replica museum handling collection objects. Also included in each box are full teacher notes, suggested activities and supporting resources.

### Little Red Clogs

The story of Little Red Clogs' walk where she meets a rainbow of colourful objects. This Story Box focuses on colour and comes with a range of objects to support the story, from shoes to finger pots.

### Going on a Journey?

We are going on a journey - do we have everything we need? Discover different types of transport with all the objects needed to tell the story, from large foldout maps to an explorer's hat.

### Night Time

Do you know which animals come out at night when we are all fast asleep? Meet some nocturnal animals by using hand puppets and objects from the handling collection.

### The Boastful Lion

Using ink pads and printing blocks from the museum handling collection, create the story of the boastful lion as it is being told.

### Teddy's Holiday Story

Help Teddy tell the story of his holiday, where has he been, what did he do? Compare old and new holiday objects including an old box brownie camera and an Edwardian photo album.

### Naughty Mouse

Meet the residents of our model Victorian town house as they chase the naughty mouse from the attic to the kitchen. Handle original objects from the museum handling collection.

## Booking Details

Story Boxes cost £60 per half term.

We will deliver the Story Box to you and run a 40 minute story telling session to introduce the objects to the class. Or for the same price, visit us at St. John's Museum for a story telling session in our Discovery Space and take the box back to nursery with you. Story Box must be returned before the end of the half term.

Sessions run on specific dates at St John's Museum, please call us for further details and to take advantage of our special 2 for 1 offer!

## Making a Booking:

Please telephone the Heritage Education team on 01926 412069.
