Atherstone Chamber of Trade and Commerce held their Business Breakfast at the Red Lion Hotel at 7.am on Tuesday 2nd December. The event was well attended both by members and guests and was sponsored by Lloyds TSB.

Our guest speakers were Cheryl Mann from Warwickshire Investment Partnership and Doug Squires who is Vice President of Coventry and Warwickshire Chamber of Commerce.

Cheryl's presentation gave an insight into the purpose of the investment partnership which is to encourage and support businesses to relocate in the Warwickshire area by providing a property and land data base, project management, social/demographic information as well staff recruitment and business support services.

Doug thanked us for his invitation and hoped that it would be a stepping stone to forming closer links with Coventry and Warwickshire Chamber of Commerce which we think will most certainly enable us to move forward with our work in Atherstone.

Our next business Breakfast Breakfast will be held at the Atherstone Red Lion on Tuesday 3rd March at 7am. The event provides local business people with a valuable opportunity to network in an informal environment - membership enquiries should be sent to: ACTC, 38 LONG SREET, ATHERSONE, WARWICKSHIRE.
