Anti-Gang Poems**

GANG RAP!!

**Gangs are the worst
They're really not the best
They're robbers and they're bullies
They can even be a pest**

**They join from peer pressure
They think they're really cool
They just do it for their image
But really they're a fool**

**They think that they are big
But really they are not
Their reputation's bad
And they could get badly shot**

**They have lots of bad records
Coz they steal lots of stuff
Like TV's cars and magazines
The gang is really tough**

**So please listen to this poem
And don't join a bad gang
But it of course it's your decision
It could end in such a bang!**

BY VANESSA GRAVESTOCK

Gangs that are bad are not cool
An anyone who joins them is a fool
Not all gangs are that bad.
Good gangs don't make you sad.

Reputation isn't always what gangs change.
And in bad gangs they might class you as strange.
Please listen to this message and follow it through.

Join a good gang, go on do.

By Jasmine Key

**I'm in a gang bcuz
I think I'm Cool,
But all I am is a Fool,
I only went 4 Protection
But it led me to Rejection.
I carry DRUGS
2 buy myself Uggs.
I got fired from my JOB
Bcuz I started 2 ROB.
I got Honey
But no Money.**

By Tim Radbourne

RAP ABOUT GANGS!

**Someone stole some money,
So they could get honey.
They went into a bar,
With a stolen car.**

**People join gangs because they're cool,
But they're not, so they're a fool.
They think gangs are funny,
So they're a big dummy.**

**So take my advice, don't join a bad gang,
Or you'll end up dead with a
Bang!**

By Casey Savage.

BAD GANG RAP

**LISTEN UP KIDS DON'T JOIN A GANG
OR YOU'L BE SHOT DEAD FOR SURE
COPS WILL BE AFTER YOU FOR BREAKING THE LAW
WHEN THEY GET THEIR MONEY BACK YOU'LL BE
POOR**

**THE PEOPLE IN THOSE GANGS THINK THAT THEY ARE
SO COOL BUT NONE OF THEM ARE SO THEY ARE ALL
FOOLS**

By Zac Scarpellino

Gang Rap

**If you're in a bad gang you will feel cool
But then you'll be stuck in the gang.
Maybe later you'll be stuck in the cells
If you don't want to be stuck in the cells Quit and hide
Then you'll have some hugs then you'll stop with drugs
now you have a better life
Then you'll survive.**

By Thomas Quiney.

Why People Join Gangs

**People join gangs so they think that they get RESPECT
But the only thing they get is real REJECT.**

By Mikolay Kochanski

Gang Rap

**People join gangs so they get respect
But all they get is real reject**

**They join gangs to be very cool
But they turned out to be a fool**

**They joined to get protection
And they thought that it was sheer perfection**

**They joined a gang to have no fear
But the only thing they got is pressure from their peers**

By James Maxfield and Mikolay Kochanski

Gangs are bad, horrid, disgusting and pointless.

I joined in a gang and I looked like a fool because I wanted to rob and then I was cruel.

I looked in the mirror and I looked like a gorilla - I went to prison and I lost my freedom.

Forget about bad gangs and leave them alone!!!

By Kai Ferguson

Rap Poem

**People join gangs, because they think they're cool,
But they are not, so they're a fool.**

**Then they steal a bit of money,
So they can get some honey.**

**They became lazy,
Then become crazy.**

**They thought it was fun,
But it was really a bit dumb.**

**They tried to look tough,
But became a bit rough.**

**They let out the fear,
Which inside made them freer.**

By Anna Cygal

**People join gangs so they can be so cool, but really they're just being
fools.**

**They steal so much money they think its funny,
They think taking drugs and drinking is fun,
But really it's totally dumb.**

**People join gangs so they can be so cool, but really they're just being
fools.**

By Cameron Bond
