### **Carers' Briefings**

We are holding a second round of briefing meetings for all carers in February and March in various locations around the County. Below are the details of each of the venues, dates and times and we do hope you will be able to attend. If this is not possible we will be providing a written update, so if you are unable to make any of the meetings but would like further information, please contact the office on 01926 742414 and we will send a briefing directly to you and place your name on our mailing list so that you may continue to receive the regular newsletter.
