

Blue Badge

Application for a Disabled Person's Parking Badge

In February 2012 the Government introduced revised guidance for the Blue Badge scheme which is mainly for people who; cannot walk, or have very considerable difficulty walking. (see page 2 for exceptions)

Applicants who have previously held a Blue Badge are not automatically entitled to receive a new Blue Badge. This is due to revised guidance and a more robust assessment of eligibility being carried out.

You need to complete all sections relevant to you and complete the application form in full. This is important as it will decide your eligibility for a Blue Badge.

- Incomplete application forms will not be processed and will be returned for completion.
- Applications can take up to 12 weeks to be considered.
- You will be notified of the outcome of your application in writing.
